

# ≡How To Order≡

## Espresso Drinks Explained

Almost all specialty coffee drinks contain two basic ingredients: espresso and milk. The drinks differ in the amounts and treatment of the ingredients, which leads to varying characteristics of boldness and creaminess:

- Some contain one espresso shot and some contain two shots or more.
- Some contain steamed milk, some contain frothed milk, some contain both, and the ratios vary. Steamed milk is milk that has been heated to a creamy and smooth texture, with a thin layer of small air bubbles on top called "microfoam." Frothed milk is milk that has been aerated, creating a thick, whipped, foamy texture.

Any espresso drink can then be adjusted and further customized by adding sweeteners and flavored syrup.

### 1) Choose a Drink Size

Our sizes are Short (8 oz), Small (12 oz), Medium (16 oz), and Large (20 oz).

### 2) Select Hot or Iced

Almost all espresso and tea drinks are available either hot or iced, and both are delicious ways to enjoy your favorites.

### 3) Pick the Type of Drink

Do you want brewed coffee, an espresso-based drink, tea, or something else? Then select your variety or roast.

### 4) Select a Type of Milk

Our standard option is 2% dairy milk, but dairy options include nonfat milk, whole milk, half & half (breve), and heavy cream. Nondairy options include almond milk, soy milk, and oat milk. For milk-forward drinks like lattes, cappuccinos, and flat whites, the milk you select has a big impact on flavor and creaminess. Experiment to see what you like!

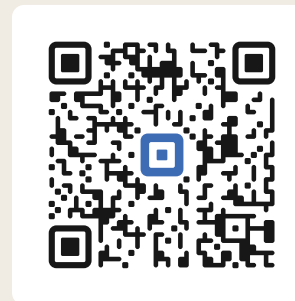

### 5) Customize

Add a flavor, sweetener, or sauce to make your drink sweeter and more flavorful. We have numerous options to choose from, and you can mix and match to create your own special drink. You can even add additional pumps of syrup if you want an even sweeter and stronger flavor.

Finish your drink off with additional toppings like whipped cream, cinnamon powder, cold foam, or mocha/caramel drizzle.

100% of profits are donated to local nonprofit organizations that support our community in areas such as hunger, housing, education, and the arts.
